

July Homework

Have you ever spent some time looking at the night sky? Can you locate any constellations? What does the moon look like? If you would like to be entered in a drawing for some fun prizes complete the following activity:

Track the moon during the month of July as it changes shape. You must choose ten nights in the month of July to look at and draw the moon. Your drawing should go on a moon calendar like the one below. You can create your own on a piece of paper or print one from the link provided in the email. Copies are also available in the Powder Mill office during business hours. Have fun and happy moon gazing!

Students who want to take part must hand their calendars in during the first week of school to be eligible for the drawing!

Moon Calendar

July 2019						
Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	1	2	3	4	5	6
7	8	9	10	11	12	13
14	15	16	17	18	19	20
21	22	23	24	25	26	27
28	29	30	31
